

Activity realized: .....

## Visual summary

Display your learning experience in this box visually; for example by drawing it, pasting an image etc.

---

## Your notes

Describe your learning experience in words taking notes about how you felt during and after the activity, things you learned etc.

Please consider these questions for reflection and discussion based on this GARDEN experience:

- \* ) What did you learn on a personal level?
- \* ) How does that link to your educational history and future?
- \* ) How does it relate to your professional experience?
